

To All CCPS Parents/Guardians of a Secondary Student,

The CCPS Student Health Department in collaboration with Clayton County Fire and Emergency Services are offering on-site COVID-19 vaccines for CCPS students, at our secondary schools, during the school day. If you wish for your child to receive the vaccine at the school they attend, you will need to:

- a) Complete the Student COVID Vaccine Interest Google Form
- b) Review the Vaccine Information Fact Sheet for Recipients and Caregivers
- c) Complete the Consent Form
- d) You can either 1) upload the completed consent form to the COVID Vaccine Interest Google Form or submit the completed consent form directly to the healthcare technician at the school, **no later than 3 days before the scheduled vaccination date.**

CCPS students, 12 years or older, whose parents/guardians wish for them to receive the vaccine, will need to get parent/guardian approval to receive their two doses of the Pfizer vaccine. The vaccine is free and voluntary. Also attached is a document with more information about the vaccine. On the following page are the dates and school locations of the vaccinations.
